To Whom it May Concern,

I am pleased to write a letter of recommendation for Jeff Kovit who I have known for over fifteen years. As principal of Alan B. Shepard Middle School, parents requested that I video the eighth grade promotion ceremony. My search for a videographer was short as numerous parents recommended Jeff as one who had successfully video taped many Bar and Bat Mitzvahs in the Deerfield area. After speaking with Jeff, I trusted him to video our promotion ceremony, and our long friendship began.

His work has always been highly professional. He arrives early for our promotion ceremony, sets up quickly, and never gets in the way of what I need to do. The end product is valued by the parents who order the video in advance. Once parents see the end product, other parents want his contact information so they can place an order. It is a pleasure knowing that I do not have to worry about any aspect of our promotion video.

Jeff is really a great guy who takes great pride in his work. He works well with the parents and my office staff, and most importantly, he delivers exactly what he says he will do. It has been a pleasure working with Jeff over the years as he has always done an outstanding job. I truly believe you will enjoy his work.

Yours in Education,

Jay Monier
Principal
