Re: Jeff Kovit Video Productions

To whom it may concern:

Jeff Kovit Video Productions did the videography for my son's Bar Mitzvah in April, 2013. From the time I hired Jeff all the way through to his delivery of the finished DVD's, Jeff was extremely professional. He made it a point to get to know my family, and developed a personal relationship with us, so that on the days of the rehearsal and the Bar Mitzvah it felt as though we were working with a friend, not just someone we hired to do the videography.

Jeff was recommended by our photographer, with whom my family has worked for over 20 years, so I trusted his opinion. It was very important to me that our photographer and videographer work very well together and avoid stepping on each other's toes while doing their respective jobs, which they accomplished beautifully.

Jeff did a great job preparing for his work at my son's Bar Mitzvah; he stayed in contact and let me know what he would need from us, and made sure he knew what we expected of him and what we wanted in our videos.

Jeff and Zina (his assistant / wife) were very professional at the rehearsal and Bar Mitzvah party, making sure to get all the shots we wanted, while being discreet and unobtrusive, which Jeff knew was very important to me.

The finished product turned out fantastic - everything I could have hoped for. It will provide us with many wonderful memories of our son's special day.

From start to finish, working with Jeff was a great experience. I highly recommend Jeff Kovit Video Productions for special events or any other videography needs.

Sincerely,
